

On Bouge

French social dance club

Dancing is a great way to **meet new people**, hear some beautiful **live music** and most of all to **have fun!**

We dance several easy folk dances from different regions of France. We'll show you the simple steps and you'll be able to join in right away. No need to bring a dance partner.

We have regular live music from Mistral and other club musicians (diatonic accordeon, hurdy-gurdy and fiddle).
